ABOUT SAMIYAH

Designed for Better Water Experiences

Samiyah Sanitaryware is a professional manufacturer and global supplier of bathroom and kitchen solutions, with nearly two decades of industry experience. Our product portfolio covers kitchen faucets, bathroom faucets, shower systems, bathroom accessories and related sanitaryware solutions, serving importers, distributors, wholesalers, developers and project partners across international markets.

Kitchen Faucet Manufacturing

Our kitchen faucet collection is developed to meet different market requirements, with product options available in brass, stainless steel and zinc alloy. From product development and component selection to machining, surface finishing, assembly and quality inspection, we focus on delivering reliable products with consistent performance and contemporary design. Our manufacturing capabilities support a wide range of kitchen faucet configurations, finishes and specifications for residential, commercial and project applications.

OEM & ODM Solutions

Samiyah provides flexible OEM and ODM support for international brands, importers and distribution partners. Our services include:Product and specification customizationMaterial selectionFinish and color customizationPrivate labelingCustomized packagingProduct developmentProject-based product selectionMarket-specific solutions Whether developing a private-label collection or sourcing products for a large project, our goal is to provide practical, reliable and scalable solutions for long-term cooperation.

Quality. Innovation. Partnership.

We believe successful manufacturing is not simply about producing a product. It is about creating consistent quality, dependable supply and long-term value for our partners. With continuous attention to water-saving technology, material development, manufacturing efficiency and product design, Samiyah continues to develop kitchen and bathroom solutions for evolving global markets.

Inspired by Water

Water adapts, flows and connects. This philosophy shapes the way we work — remaining flexible to different markets, persistent in quality and open to long-term collaboration.

SAMIYAH SANITARYWARE

Modern Design. Reliable Manufacturing. Global Partnership.

SAMIYAH®

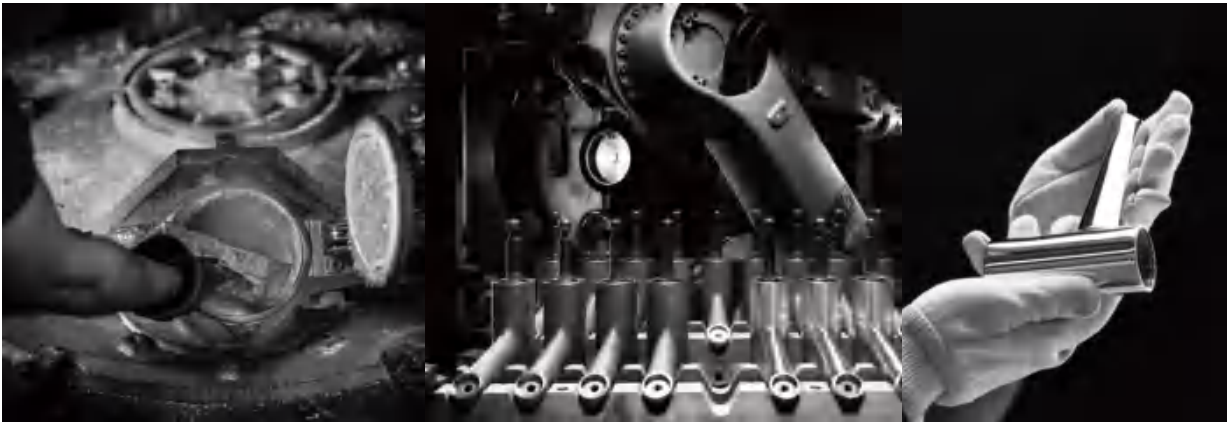

OUR ADVANTAGE

MATERIAL OPTIONS —
Brass, stainless steel and zinc alloy options developed for different market requirements, positioning and budgets.

RELIABLE QUALITY —
Careful material selection, controlled production processes and consistent quality inspection for dependable performance.

OEM & ODM FLEXIBILITY —
Flexible solutions for finishes, specifications, branding and packaging to support distributors, importers and private-label programs.

GLOBAL MARKET SUPPORT —
Kitchen faucet solutions developed for wholesalers, distributors and project partners across different international markets.

Inspired by nature's primitive geometric shapes, a harmonious and perfect shape is created. Cooperating with meticulous craftsmanship, the designer presents emotion and understanding of comfort to consumers through the product. Our design team has adhered to a simple and smooth design style for many years, touching the emotions of users with details, reflecting a high-end lifestyle.

CORE
TECHNOLOGIES

Technology is the king, product-oriented, constantly innovating R&D and design, and promoting its realization quickly and efficiently, to ensure that the product is absolutely leading. The perfect combination of fashion design and innovative technology, the overall solution of kitchen and bathroom products, we lead the future in a unique way, enrich the people relationship, and create a new world of water bathing experience!

INGENIOUS DESIGN

In our design concept,
hope to give the product deepthinking value,
That is, when consumers appreciate our products,
we can also understand the beauty of metaphors produced by the
design and persistence of the product itself from the inside out,
And then it extends to the care for the consumer's own mood,
Create a simpler and more comfortable life experience.
